Call for Workshop Proposals

3rd National Conference on Women, Addiction and Recovery: Inspiring Leadership, Changing Lives.

September 15-17, 2008

Tampa, Florida

On behalf of the Substance Abuse and Mental Health Services Administration and its partners, New Century Institute and the Florida Alcohol and Drug Abuse Association, we are pleased to announce the Call for Workshop Proposals for the **3rd National Conference on Women, Addiction and Recovery: Inspiring Leadership, Changing Lives**. The conference will be held September 15–17, 2008, at the Tampa Marriott Waterside Hotel and Marina in Tampa, Florida.

As suggested by the conference theme, “Inspiring Leadership, Changing Lives,” we are seeking workshop proposals that focus on ***the what***—effective practices to improve outcomes for women—but also on ***the how***—building conference attendees’ capacity to successfully institute effective practices.

This conference offers the opportunity to share research, showcase promising practices, infuse knowledge into practice and discuss implementation of effective interventions for women with substance use disorders. For more information or to submit a proposal, go to <http://www.fadaa.org/women>. **The deadline for workshop proposal submissions is March 31, 2008.** We appreciate it if you also forward this announcement to any of your colleagues who may be interested in submitting a proposal.
