

Join our Team!

Senior Program Manager Research and Evaluation

OUR MISSION:

The mission of Children and Family Futures is to improve safety, permanency, well-being and recovery outcomes for children, parents and families affected by trauma, substance use and mental health disorders.

ABOUT THE ROLE

DEVELOPING

Knowledge, materials and solutions to problems that affect child and family well-being

PROVIDING

Data analyses, consultation and technical assistance to jurisdictions, family drug courts or grantees

ADVANCING

Practice and policy in states, communities and tribes

DESIGNING

Implementing, and reporting on local evaluations and performance measurement initiatives

QUALIFICATIONS AND EXPERIENCE

- ❖ PhD or doctorate in Social Science Research or closely related field
- ❖ Minimum 5 years of experience in research and program evaluation in child welfare and/or substance abuse treatment or related practice area
- ❖ Experience with team leadership, project management, and initiatives to improve and institute process changes
- ❖ Working knowledge of:
 - child welfare and the issues affecting the field
 - the role and functions of the dependency and/or tribal court systems and other health and social service agencies
- ❖ Familiarity with:
 - methods and best practices in prevention and treatment of substance use disorders, with special emphasis on family-centered practice
 - child development or the needs of children of parents with substance use disorders, assessment and interventions for children
- ❖ Experience with web-based communications (e.g., webinar and adult training methods)

SKILLS AND ABILITIES

- ❖ In-depth understanding of evaluation methodologies, research designs and data used to measure performance
- ❖ Exceptional written communication skills including synthesis and interpretation of data
- ❖ Ability to synthesize qualitative and quantitative findings, draw conclusions and practice and policy implications
- ❖ Effective public speaking skills
- ❖ Proficiency in Microsoft Office Suite: Word, Excel, PowerPoint, Outlook and statistical analysis packages
- ❖ Able and willing to travel (local and overnight, inclusive of weekends) at least 50% time or as needed
