How Do I Ask Questions?

• For your convenience, there are two ways to ask questions during this webinar presentation.
  1. Type and send your questions through the Question and Answer log located on the bottom half on your panel/dashboard.
  2. There will also be time at the end of the webinar for you to ask questions via the conference line.
Today’s Topics

- Introduction to the National Center on Substance Abuse and Child Welfare (NCSACW)
- The “Why” of Collaboration
- The “How To” of Collaboration
- The 10 Elements of System Linkages and Models of Collaboration
- Technical Assistance Resources: Types of TA Available
- Technical Assistance Resources: Products in the Elements of System Linkages
- Question and Answer
- Wrap-up
A Program of the
Substance Abuse and Mental Health Services Administration
Center for Substance Abuse Treatment
and the
Administration on Children, Youth and Families
Children’s Bureau
Office on Child Abuse and Neglect
Mission:

Developing knowledge and providing technical assistance to Federal, State, local agencies and Tribes to improve outcomes for families with substance use disorders in the child welfare and family court systems.
The “Why” of Collaboration
Child Welfare and Substance Use: What Is the Relationship?

- It is not solely the use of a specific substance that affects the child welfare system; it is a complex relationship including:
  - The substance use pattern
  - Variations across States and local jurisdictions regarding policies and practices
  - Knowledge and skills of workers
  - Access to appropriate health and social supports for families
The Five Clocks

Adoption and Safe Families Act (ASFA)
- 12 Months Permanent Plan
- 15 Months out of 22 in out of home care
  petition for TPR unless it is not in the
  best interest of the child

Recovery
- One Day at a Time for the Rest of Your
  Life

Child Development
- Clock doesn’t stop
- Moves at Fastest Rate from Prenatal
  through Age 5

Temporary Assistance for Needy Families (TANF)
- 24 Months Work Participation
- 60 Month Lifetime
- Reauthorization in December 2005
  ▪ Stricter work requirements for FY
    2007
  ▪ 50% of single parent families must
    meet work requirements
  ▪ 90% of two parent families must
    meet work requirements
  ▪ New treatment provision

The Fifth Clock:
How quickly will we put the pieces together?
Frequently Cited Barriers

- Differences in values and perceptions of primary client
- Timing differences in service systems
- Knowledge gaps among staff working in the systems
- Lack of tools for effective engagement in services
- Intervention and prevention needs of children
- Lack of effective communication
- Data and information gaps
- Categorical and rigid funding streams as well as services and treatment gaps
Suggested Strategies

• Develop principles for working together
• Create on-going dialogues and efficient communication
• Develop cross-training opportunities
• Improve screening, assessment and monitoring practice and protocols
• Develop funding strategies to improve timely treatment access
• Expand prevention services to children
• Develop improved cross-system data collection
Five National Goals Established

• Building Collaborative Relationships
• Assuring Timely Access to Comprehensive Substance Abuse Treatment Services
• Improving our Ability to Engage and Retain Clients in Care and to Support Ongoing Recovery
• Enhancing Children’s Services
• Filling Information Gaps
Leadership of the Federal Government on Substance Abuse and Child Welfare Issues

1999 Report to Congress: *Blending Perspectives and Building Common Ground*

2000 – 2001 Regional State Team Forums

2002 - 2007 National Center on Substance Abuse and Child Welfare

2007 – 2012 Re-funding National Center on Substance Abuse and Child Welfare

2007 – 2012 Regional Partnership Grants
53 Regional Partnership Grants
The “How To” of Collaboration
The 10 Elements of System Linkages and Models of Collaboration
Getting Better at Getting Along: Four Stages of Collaboration

- Information Exchange
- Joint Projects
- Changing The Rules
- Changing The System

- External Funding
- Existing Funding

Sid Gardner, 1996
Beyond Collaboration to Results
Navigating the Pathways
Published by CSAT

• A framework for defining elements of collaboration
  • To define linkage points across systems: where are the most important bridges we need to build?
• Methods to assess effectiveness of collaborative work
  • To assess differing values
  • To assist sites in measuring their implementation
Collaborative Practice and Policy Tools

- Ten Element Framework
- Collaborative Values Inventory
- Collaborative Capacity Instrument
- Matrix of Progress in System Linkages
- Screening and Assessment for Family Engagement, Retention and Recovery — SAFERR
Elements of System Linkages The Ten Key Bridges

1. Underlying Values and Principles of Collaborative Relationships
2. Client Screening and Assessment
3. Client Engagement and Retention
4. Services to Children
5. Working with the Community and Supporting Families
6. Working with Related Agencies
7. Information Systems
8. Training and Staff Development
9. Budgeting and Program Sustainability
10. Joint accountability and shared outcome
   - Safety, Permanency, Family Well-Being and Recovery
Technical Assistance Resources:
Types of TA Available
Levels of Technical Assistance (TA)

Level One: Information and Sharing of Models
- 479 requests

Level Two: Expert Consultation and Research
- 183 requests

Level Three: Development of Issue-Specific Products
- 169 requests

Level Four: Strategic Planning, Training Resources and Facilitation
- 13 States
- 2 Tribes
- 1 County

September 2001 through March 2008
Types of TA Products

- Collaborative practice and policy tools
- Information and sharing of models
- Expert consultation and research
- Development of issue-specific products
  - Monographs, white papers, fact sheets
- Training resources and collaborative facilitation
  - On-line courses, training materials
- Longer-term strategic planning and development of protocols and practice models
Regional Partnership Grants and In-Depth Technical Assistance Sites
Technical Assistance Resources:
Products in the Elements of System Linkages
Underlying Values and Principles of Collaboration

- Collaborative Values Inventory
- Synthesis of Cross System Values and Principles: A National Perspective
- IDTA Memoranda of Understanding and statements of shared values and principles
Screening, Assessment, Engagement and Retention

- Screening and Assessment for Family Engagement, Retention and Recovery (SAFERR)
- IDTA protocols & engagement resources
- Substance Abuse Specialists in Child Welfare Agencies and Dependency Courts: Considerations for Program Designers and Evaluators (in development)
- Utilizing Drug Testing in the Context of Child Welfare (in development)
Screening and Assessment for Family Engagement, Retention and Recovery (SAFERR)

- Provides screening and assessment tools
- Includes guidelines for communication and collaboration across the systems responsible for helping families
- Assists with developing cross-system communication protocols
Services to Children, Working with Related Agencies and Building Community Supports

- Substance Exposed Infants: State Responses
- SAFERR Appendix on screening and assessment tools for children and youth
- IDTA Parent Partner program materials
Services to Children

Multiple Opportunities for Intervention

Commonly noted consequences for children

- Fetal Alcohol Syndrome (FAS)
- Alcohol-related neuro-developmental disorders (ARND)
  - Physical health consequences
  - Lack of secure attachment
  - Psychopathology
  - Behavioral problems
  - Poor social relations/skills
  - Deficits in motor skills
  - Cognition and learning disabilities
Policy and Practice Framework: Five Points of Intervention

1. Pre-pregnancy awareness of substance use effects

2. Prenatal screening and assessment

3. Identification at Birth

4. Ensure infant’s safety and respond to infant’s needs

5. Identify and respond to the needs of
   - Infant
   - Preschooler
   - Child
   - Adolescent

Parent

Initiate enhanced prenatal services

Respond to parents’ needs

Identify and respond to parents’ needs

System Linkages
Training and Staff Development

- NCSACW online tutorials
- Participant workbooks and supervisor handbooks
- IDTA State examples of training initiatives
- The Child Welfare-Substance Abuse Connection: A Compendium of Training Curricula and Resources
Training and Staff Development

• Understanding Child Welfare and the Dependency Court: A Guide for Substance Abuse Treatment Professionals

• Understanding Substance Use Disorders, Treatment and Family Recovery: A Guide for Legal Professionals (in final stages)

• Participant workbooks and supervisor handbooks developed by the State of Utah
I have completed the tutorial training, and utilized the information to help educate new child protective service workers. The information is very useful, understandable, and very specific to the issues and concerns that child welfare workers will encounter, and how these should be handled.

Implementing Online Tutorials

Available for free PDF download at [http://ncsacw.samhsa.gov](http://ncsacw.samhsa.gov)
NCSACW Training and Related Products

- **On-Line Training**
  - Available at no cost
  - Upon completion of the tutorial:
    - Certificate awarded
    - CEUs are available

- **Visit** [http://ncsacw.samhsa.gov](http://ncsacw.samhsa.gov)
  - Understanding Child Welfare and the Dependency Court: A Guide for Substance Abuse Treatment Professionals
  - Understanding Substance Use Disorders, Treatment and Family Recovery: A Guide for Child Welfare Professionals
Training and Staff Development

- Substance Use Disorders, Mental Disorders and Co-Occurring Disorders Training Package (in development)
- State Legislator information resources web-pages (in development)
Budgeting and Program Sustainability

• White Paper on Funding Comprehensive Services for Families with Substance Use Disorders in Child Welfare and Dependency Courts

• Funding Family-Centered Treatment for Women With Substance Use Disorders (in development)

• IDTA State strategic plans for continued efforts
Joint Accountability, Shared Outcomes and Information Systems

- SAFERR communication protocols
- IDTA State communication protocols and examples of data system improvements
- A Review of Alcohol and Drug Issues in the States' Child and Family Service Reviews and Program Improvement Plans
Joint Accountability, Shared Outcomes and Information Systems

- Guide to Cross-System Data Sources for State and Tribal Child Welfare, Substance Abuse Treatment, and Court Systems (In Development)
- Webinar on May 16th on models of cross-system data linkages
- RPG report on cross-system indicators and data sources
How do I access technical assistance?

- Visit the NCSACW website for resources and products at [http://ncsacw.samhsa.gov](http://ncsacw.samhsa.gov)
- Complete the contact form on the website
- Email us at ncsacw@cffutures.org
Question and Answer
Moving Forward: Using Tools and Technical Assistance

Part One of the Webinar Series Being Successful: Meaningful Collaboration to Improve Outcomes for Families with Substance Use Disorders

Presented by
National Child Welfare Resource Center for Organizational Improvement and
National Center on Substance Abuse and Child Welfare

April 24, 2008
