**New Jersey Birthing Hospital Survey:
Substance Exposed Infants & Their Mothers
Pediatric Primary Care Provider Component**

Please answer the following two questions about the primary hospital where you have admitting privileges to a newborn nursery.

11. How confident are you in this hospital's effectiveness at identifying and managing SEIs?

- Not at all
- Somewhat
- Moderately
- Very
- Extremely

12. Indicate the highest level (I, II, or III) of newborn nursery care for this hospital.

- I
- II
- III

If you selected a second hospital, please answer the following two questions about that hospital.

13. How confident are you in this hospital's effectiveness at identifying and managing SEIs?

- Not at all
- Somewhat
- Moderately
- Very
- Extremely

14. Indicate the highest level (I, II, or III) of newborn nursery care for this hospital.

- I
- II
- III

If you selected a third hospital, please answer the following two questions about that hospital.

15. How confident are you in this hospital's effectiveness at identifying and managing SEIs?

- Not at all
- Somewhat
- Moderately
- Very
- Extremely

**New Jersey Birthing Hospital Survey:
Substance Exposed Infants & Their Mothers
Pediatric Primary Care Provider Component**

16. Indicate the highest level (I, II, or III) of newborn nursery care for this hospital.

- I
- II
- III

If you selected a fourth hospital, please answer the following two questions about that hospital.

17. How confident are you in this hospital's effectiveness at identifying and managing SEIs?

- Not at all
- Somewhat
- Moderately
- Very
- Extremely

18. Indicate the highest level (I, II, or III) of newborn nursery care for this hospital.

- I
- II
- III

19. Which standardized tools do you use to assess infants with NAS in the hospital?

- Finnegan
- Modified Finnegan
- Lipsitz Neonatal Drug-Withdrawal Scoring System
- Other _____
- None
- Don't know

20. Comments: In the space below, please feel free to share other aspects about the care of substance exposed infants (SEIs) and their mothers you think are important for us to understand as we think about how best to support efforts throughout New Jersey:

Thank you for taking time to complete this survey.
