11:02:33 From Judge Trent Favre:

We had our event last week! It was wonderful. We had two parents share their journey! The word for the event was "connection."

11:03:06 From William Owens:

We had an event in Wapello County and celebrated with families who have been reunified with their children over the past year. We had a total of about 100 people attend the event that included a cake, family photos and a trip to the local water park for the families.

Hospital policies, or lack thereof, of drug testing at a baby's birth, really impacts our families, especially our families of color, who are more likely to be tested when there is no universal testing policy

Asking the FTC Judges "how are you doing?" or a simple "how are you coping?" is something done on a regular basis with our Judges. Recognizing Judges are not immune to having feelings or being affected.

12:16:39 From Tessa Richter:

Chautle, I love that. Thank you.

12:23:15 From Theresa James:

Agree, connection is attachment. We need that.

12:24:20 From William Owens:

Perhaps a key component of achieving sobriety and stability is creating connections....
